HT431-T

Tandem Passage

Full Height Turnstile (Single)

Applications:

The SecureTurn HT431T tandem full height turnstile is our most popular tandem full height turnstile because it is extremely dependable, easy to install, and made right here in our USA based manufacturing facility. The HT431T features tamper proof construction and floor to ceiling security. This full height turnstile easily integrates with virtually any access control hardware or software via a momentary dry contact, making it the perfect access control solution for any application. Each HT431T comes with 6 free full height turnstile Safety Sleeves in Safety Orange.

Features:

- Tandem width saves space
- Full height for maximum security
- Self-centering mechanism
- Strong and durable- Made in the USA
- Built tough to last a lifetime
- 6 FREE Safety Sleeves

About Hayward Turnstiles:

Hayward Turnstiles has over 50 years of expertise in quality manufacturing of precision aircraft parts and reliable turnstiles.
