

RIZON

TC-16 Turnstile Canopy

The Rizon full height turnstile canopy is designed to provide a covering over any single or tandem full-height turnstile. With an all-steel construction, this product will not only protect your turnstiles but also provide long-lasting coverage. Available in 3 sizes, this design features a sloped roof with a drain and downspout on the left or right of the canopy. The painted finish can be customized using one of our Rizon standard or custom color selections.

- Made in the USA
- Quick and easy to install
- Highly reliable and provides long-term continuous use
- 5 piece set allows for easy transportation

Common Applications

- Pedestrian Entrances where a secured perimeter is in place.
- Bus/Train Stations
- Ticket Centers

Now Available in a package configuration with Hayward products
